Meeting Date/Time/Location:

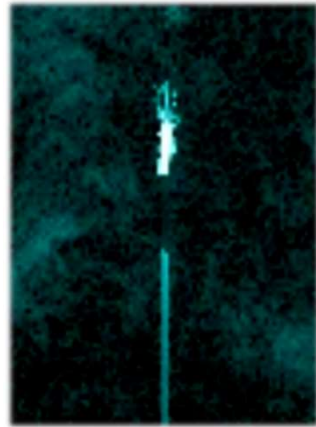

March 2, 2019

Time: 4:00pm

7026 Old Katy Rd Suite 264, Houston, TX 77024

Topic: The Search for Extra-Terrestrial Vehicles (ETVs) in Solar Satellite Imagery

The presentation will focus on newly discovered objects scattered throughout NASA solar satellite archives that display intelligent patterns and structures. A few of the most shocking pictures from my personal file of over 43,000 images will be offered for consideration we may not be alone.

Presenter:

Major David Toon (Ret)

- Retired Army Aviation Officer
